

# Electric Ride-On Pallet Stacker

This electric ride-on pallet stacker reduces operator strain during intensive work. Its ergonomic handle design and robust construction ensure steady and convenient operation.

## ADDITIONAL IMAGES

## Product Overview

### High-Performance Electric Stacker

This sit-down electric stacker is engineered to enhance operator efficiency while reducing physical strain. Featuring a compact and steady design, it offers intuitive handle-based controls and a durable, high-capacity traction battery for rapid charging. The robust C-type steel frame ensures structural integrity and safety, making it a reliable solution for heavy-duty lifting and material handling tasks.

## Performance Metrics

### Lifting Performance

**3000 mm**

Lifting Height

**340 mm/s**

Lifting Speed (Full Load)

**12 km/h**

Driving Speed (Full Load)

## Technical Specifications

### Model Specifications

Feature	Model CPD-35	Model CPD-40
Rated Load (kg)	3500	4000
Battery (V/Ah)	80/500	80/550
Net/Gross Weight (kg)	4760	5570

### Key Dimensions

- Overall Length: 3730 mm
- Overall Width: 1250 mm
- Overall Height: 2200 mm
- Ground Clearance: 130 mm
- Turning Radius: 2410 mm
- Wheelbase: 1630 mm

### Fork and Mast Details

Fork Length: 1220 mm, Lateral Migration: 100 mm (Optional), Mast Dip Angle: 6/10 degrees

## Power and Safety

### Motor Power

**16.5 kW**

Driving Motor

**13.5 kW**

Lifting Motor

### Safety and Design

C-Type Forming Steel Frame • Ergonomic Handle Design • Rapid Charging • 15 Degree Climbing Gradient
