

# Electric Scented Wax Warmer with Decorative Glass

This electric wax warmer melts scented wax, distributing fragrance throughout a room. It features a decorative glass exterior that illuminates when in use.

## ADDITIONAL IMAGES

## Product Overview

### Decorative Electric Wax Melt Burner

This electric wax melt burner combines functional aromatherapy with elegant mosaic glass design. Featuring an integrated electric heating element and LED illumination, it provides a safe, flameless way to disperse fragrance while serving as a stylish ambient lamp. Its compact size and decorative finish make it an ideal addition to homes, offices, or relaxation spaces.
