

Electric Scooter with Rear Storage

This electric scooter is designed for urban transportation. It features a rear storage box, chrome side rails, a headlight, and a step-through frame.

Product Overview

Urban Mobility Redefined

This next-generation electric scooter is designed specifically for efficient urban transportation. Featuring a convenient rear storage box and a practical step-through frame, it combines functionality with modern aesthetics. Its dark blue finish, complemented by chrome side rails and a distinctive wheel design, ensures a professional and stylish presence on city streets.
