Product Overview

Professional Electric Sheep Shearing Tool

This electric sheep shearing tool is engineered for high-efficiency animal grooming and shearing. Featuring a powerful 690W motor and a blade speed of 2400r/min, it ensures smooth and consistent performance for professional agricultural applications. The versatile voltage compatibility allows for global use, while the included carrying case provides convenient storage and portability for field work.

Technical Specifications

Rated Input Power

690 W

Rated Power

Voltage Compatibility AC 110-240V

Frequency 50Hz/60Hz

Performance

Blade Cutting Speed 2400 r/min

Blade Width 76 mm

Physical Characteristics

Unit Weight 1.3 kg

Housing Material Nylon Plastic

Logistics & Packaging

Packaging Specifications

Metric	Value
Inner Packing	Tool Case
Outer Packing	5 pcs/ctn
Packing Size	52 x 44 x 21.5 cm
Gross Weight	16.5 kg
Net Weight	15 kg
