

Electric Steam Iron for Garment Care

This electric steam iron efficiently removes wrinkles from clothing. It features a non-stick soleplate and adjustable temperature settings for various fabric types.

Overview

Efficient Garment Care Solution

This electric steam iron is engineered for high-performance wrinkle removal across a variety of fabrics including cotton, linen, wool, silk, and synthetics. Equipped with a versatile 180ml water tank, it supports steam, spray, and burst functions to handle stubborn creases with ease. Safety and convenience are prioritized through integrated auto shut-off features and an adjustable temperature control dial for optimal fabric protection.
