

# Electric Step-Through City Bicycle with Basket and Rack

This electric bicycle has a step-through frame for easy access and includes front and rear fenders. It features a front basket for storage and a rear rack for carrying items.

## Product Overview

### Urban Commuter Electric Bicycle

This electric city bicycle features a convenient step-through frame design, engineered for easy mounting and dismounting in urban environments. Equipped with both a front basket and a rear rack, it offers versatile storage solutions for daily commuting or errands. The integrated electric motor and frame-mounted battery provide reliable assistance, ensuring a smooth and comfortable riding experience.
