

Electric Step-Through City Bicycle

This electric bicycle is designed for urban commuting and leisure rides. It features a step-through frame for easy mounting and dismounting, a front basket, and a rear rack with a cushioned seat.

Overview

Urban Commuter Electric Bicycle

This electric step-through bicycle is engineered for efficient urban commuting and comfortable leisure riding. Designed with a convenient step-through frame, it allows for effortless mounting and dismounting, while the integrated front basket and rear rack with a cushioned seat provide practical storage solutions. The bike features a rechargeable battery system to assist with pedaling, making it an ideal choice for navigating city streets.
