

Electric Step-Through Moped with Basket and Backrest

This electric moped has a step-through frame for easy access and includes a front basket for carrying items. A rear rack with a backrest provides passenger comfort, making it suitable for urban commuting.

Product Overview

Efficient Urban Mobility

This electric step-through moped is designed for seamless urban commuting and short-distance travel. Featuring a user-friendly frame for easy mounting, it comes equipped with a practical front basket for storage and a rear rack with a backrest to ensure passenger comfort. Combining the convenience of a bicycle with the power of an electric motor, it offers a reliable solution for daily tasks.
