

Electric Step-Through Scooter

This electric scooter has a step-through frame for easy mounting and dismounting. It is designed for short to medium-distance travel, offering an eco-friendly transportation option.

Overview

Urban Commuting Redefined

This electric step-through scooter is engineered for efficient and comfortable urban mobility. Featuring a sleek, aerodynamic design with a glossy dark red finish, it combines style with practical functionality. The step-through frame ensures easy mounting and dismounting, while the integrated headlight and rearview mirrors enhance rider safety during daily commutes.
