

Electric Step-Through Scooter with Rack

This electric scooter features a step-through frame for easy mounting and dismounting. It is equipped with a rear rack, a front headlight, and turn signals.

Product Overview

Urban Commuter Electric Scooter

This electric step-through scooter is designed for efficient urban commuting, combining a classic aesthetic with modern functionality. Featuring a convenient rear rack for cargo and essential safety components like rearview mirrors, turn signals, and a front headlight, it offers a practical solution for daily travel. Its step-through frame ensures easy mounting and dismounting, making it an accessible choice for a wide range of riders.
