

Electric Step-Through Scooter with Rear Storage

This electric scooter is ideal for urban commuting and leisure rides. It features a step-through frame for easy access and includes a rear storage box for added convenience.

Overview

Urban Commuter Solution

This electric step-through scooter is engineered for efficient urban commuting and leisure mobility. Its accessible frame design ensures easy mounting and dismounting, while the integrated rear storage box provides practical utility for carrying essentials. Equipped with front and rear lighting systems, it prioritizes rider visibility and safety in various traffic conditions.
