

Electric Step-Through Scooter with Storage

This electric scooter features a step-through frame design, a front basket for storage, and a rear storage compartment. It includes a windshield for rider protection and is equipped with mirrors for enhanced visibility.

Overview

Designed for Utility and Comfort

This electric step-through scooter is engineered for practical urban commuting and cargo transport. Featuring a robust step-through frame for easy mounting and dismounting, it comes fully equipped with a front basket and rear storage compartment to handle daily errands. The inclusion of a windshield and side mirrors enhances rider safety, while the dual suspension system ensures a smooth and comfortable ride across varying terrain.
