

Electric Stepless Speed Impact Drill

This electric stepless speed impact drill is designed for a variety of drilling applications. It features variable speed control for precision and versatility.

JT200 無線調速衝擊電鑽
ELECTRIC STEPLESS SPEED IMPACT DRILL TYPE: Z1J-13
INPUT POWER: 170W NON-LOAD SPEED: 600RPM
IMPACT CYCLE: 12000/MIN. MAX DRILL DIA: 13MM

Product Overview

Professional Impact Drilling

The JT200 is a versatile electric stepless speed impact drill, engineered to handle a variety of drilling applications with precision. Featuring variable speed control, it offers the flexibility needed for different materials and tasks. This model, Z1J-13, combines a 170W power output with a robust impact cycle, making it a reliable choice for professional environments requiring consistent performance.

Technical Specifications

Input Power	170 W
No-Load Speed	600 RPM
Impact Cycle	12000 per minute
Max Drill Diameter	13 mm
Model Number	Z1J-13
