Product Overview

Professional Stone Cutting Performance

This high-performance electric stone cutter is engineered for precision and efficiency when working with marble, granite, tile, and other stone materials. It features a powerful motor paired with an adjustable cutting depth to handle various project requirements. A built-in water cooling system effectively minimizes dust during operation while helping to extend the service life of the blade.

Key Features

Performance Highlights

1 Yes

Adjustable Cutting Depth

1 Included

Water Cooling System

Materials Handled

Marble, Granite, Tile, Stone

Design & Ergonomics

Design Benefits

- Ergonomic handle for reduced fatigue
- Durable base plate for enhanced stability
- Optimized for prolonged professional use

Ideal For

Stone Fabricators • Tile Installers • Construction Workers • DIY Enthusiasts
