Product Overview

Compact Efficient Heating

This electric storage water heater features a durable ABS shell with a unique, streamlined design, perfect for modern kitchen installations. It is engineered for energy efficiency and reliable performance, boasting an Indian 5-Star BEE rating. Equipped with high-quality Incoloy heating elements and advanced thermal insulation, it provides a consistent and safe hot water supply for residential needs.

Key Features

Highlights

ABS Shell, Multiple Colors, Under/Over Basin Mounting, Energy Saving, Incoloy Heating Element, 5-Star BEE Rating

Technical Specifications

Detailed technical specifications for 10L, 15L, and 25L models.

Performance Metrics

2 kW

Power Rating

0.75 MPa

Max Working Pressure

75 °C

Max Temperature

220 V

Voltage

Model Specifications

Capacity	Net Weight	Gross Weight	Dimensions (A*B*C)
10L	8.3 kg	9.8 kg	278*420*278mm
15L	10.2 kg	11.8 kg	310*456*310mm
25L	13.5 kg	15.6 kg	353*530*353mm

Installation & Safety

Safety & Compliance

- Integrated Safety Valve
- IPX4 Protection Rating
- Magnesium Anode for corrosion protection
- High-efficiency thermal insulation
