

Electric Table Fan

This electric fan is designed for household use, providing ventilation and air circulation. Its simple design fits into various home environments and is intended for indoor use.

Product Overview

Efficient Indoor Ventilation

This electric table fan is designed to provide reliable air circulation for indoor environments. Featuring a classic white finish and a durable circular protective grill, it combines functionality with a simple, clean aesthetic. The unit includes an integrated speed control panel, making it easy to adjust airflow to suit your comfort needs.
