

Electric Tile and Stone Cutter with 4.5-inch Blade

This electric tile and stone cutter is designed for precise cutting of various materials. It features a powerful motor, adjustable cutting depth, and a water cooling system to minimize dust and extend blade life.

Overview

Professional Precision Cutting

This electric tile and stone cutter is engineered for high-precision cutting tasks, making it an essential tool for professional tile installers and serious DIY enthusiasts. Equipped with a robust motor and an integrated water cooling system, the device effectively minimizes dust while extending the lifespan of the blade. Its adjustable cutting depth and compact design ensure clean, accurate results across a variety of stone and tile materials.

Technical Specifications

Blade Diameter

4.5 inches

Blade Size

Power Source

Corded Electric

Key Features

Key Features

- Integrated water cooling system
- Adjustable cutting depth
- High-power motor for efficient cutting
- Dust reduction design

Ideal For

Professional Tile Installation, Stone Cutting, DIY Projects
