Product Overview

Professional Tile Cutting Solution

This electric tile cutter is engineered for precision cutting of ceramic, porcelain, and mosaic tiles. Featuring an integrated water cooling system, it effectively minimizes dust and friction to ensure clean, professional results on every cut. Built with a portable design and robust safety features, it is an ideal tool for both site work and workshop environments.

Technical Specifications

Power Supply

120 V

Voltage

60 Hz

Frequency

Cutting Capacity

Metric	Value
Blade Diameter	4 inches
Max Cutting Depth	1 inch
Table Size	8 x 8 inches

Features & Functionality

Design & Convenience

- Portable carrying handle
- Integrated cable and plug storage case
- Water recycling system
- Adjustable cutting guide

Cutting Angles

0° - 45°

Safety & Control

Magnetic Switch, Overload Protection, Blade Guard, Non-slip Feet

Included Accessories

What's in the box

- Diamond cutting blade
- Water tray
- Miter guide
