

Electric Wall-Mounted Fan with Remote Control

This wall-mounted electric fan is designed for efficient air circulation in residential and office spaces. It includes multiple speed settings, a timer function, and remote control operation, with an emphasis on quiet performance and energy efficiency.

Product Overview

Efficient Air Circulation

This wall-mounted electric fan is designed for optimal air circulation in residential and professional environments. It features 3-speed control and a convenient remote-operated timer function ranging from 0.5 to 7.5 hours. Built with a 5-blade configuration, the unit ensures effective airflow while maintaining energy-efficient performance.

Technical Specifications

Power Consumption	60 W
Number of Blades	5
Timer Range	0.5 - 7.5 hours
Swing Operation	Yes

Logistics and Packaging

Shipping and Dimensions

Metric	Value
Packing Size (mm)	450x205x450
Net Weight (kg)	2.5
