

Electric Wall-Mounted Fan

This wall-mounted electric fan is designed for efficient air circulation and space-saving installation. It features a multi-speed control for adjusting airflow, a durable metal grill for safety, and a quiet motor for minimal noise disruption.

Product Overview

Efficient Cooling Solution

This wall-mounted electric fan is designed for optimal air circulation while maximizing floor space. It features three distinct speed settings and a swing function to ensure consistent cooling coverage. Built with a three-blade design, this unit provides a balanced airflow for homes, offices, and indoor environments.

Technical Specifications

Rated Power	60 W
Blade Count	3
Speed Control	3

Physical Dimensions

Net Weight	2.5 kg
Gross Weight	3.1 kg
Packing Size (LxWxH)	450x205x450 mm

Logistics

40' HQ Container Capacity	1650 pcs
