

Electric Wire Rope Hoist

This electric hoist is designed for lifting applications. Its robust construction ensures durability and reliable performance in various industrial and construction settings.

Product Overview

High-Performance Electric Wire Rope Hoist

This electric wire rope hoist is engineered for reliable lifting operations in industrial and construction environments. With a versatile dual-capacity design, it offers a 300kg capacity for single-line operation and up to 600kg for double-line tasks. Built for durability, it features a robust 920W motor and a 12-meter cable, making it an essential tool for efficient material handling.

Technical Specifications

Cable Specifications

- Length: 12m
- Diameter: 4.0mm
- Resistance: e1500kg

Power

920 W

Rated Voltage

220-230V, 50Hz

Duty Cycle

S3 20% 10min

Dimensions and Packaging

Packaging Details

Metric	Value
Packing Size	52 x 43 x 18 cm
Quantity per Carton	2 pcs
Gross Weight	35 kg
Net Weight	33 kg
Outside Dimensions	397 x 154 x 235 mm
