

Electronic Buzzer and Trumpet Speaker

This is an electronic buzzer and trumpet speaker. It is suitable for use in a variety of electronic devices.

Product Overview

Versatile Electronic Components

These ceramic disc capacitors are essential components for a wide range of electronic circuits. They are designed for reliable performance in filtering, decoupling, and timing applications. Featuring a durable ceramic dielectric and radial leads, these components are optimized for through-hole mounting in professional and hobbyist electronic projects.

Technical Specifications

Summary of Ratings

Capacitor Code	Voltage Rating
122K	1KV
223	1KV
103Z	1KV
222M	1KV
103	1KV

Component Type	Ceramic Disc Capacitor
Mounting Style	Through-hole
Available Markings	122K, 223, 103Z, 222M, 103
Voltage Rating	1000 V
