

Elegant Interior Elevator Cabin

This elevator cabin features an elegant interior with a marble accent wall. The design incorporates recessed lighting, wooden handrails, and a geometric tile floor.

Design Overview

Sophisticated Aesthetics

This elevator cabin interior is designed to convey a sense of opulence and modern refinement. It features a striking marble accent wall characterized by flowing patterns in shades of white, gold, and lavender. The space is further enhanced by recessed ceiling lighting and warm, indirect illumination, creating an inviting and luxurious atmosphere for passengers.
