

# Emergency Escape Hammer with Hardened Steel Head

This emergency escape hammer features a hardened steel head for breaking windows. It has a compact design and a durable red plastic handle for easy storage in vehicles.

## Product Overview

### Compact Emergency Escape Tool

This emergency safety hammer is designed for rapid window breakage in critical vehicle escape scenarios. Featuring a robust hardened steel head, it provides the necessary force to shatter glass efficiently. Its compact design ensures it can be easily stored in vehicles for immediate access during emergencies.
