

Energy-Efficient LED Bulb with Decorative Heat Sink

This energy-efficient LED bulb is designed for general illumination. It features a standard screw base and promotes efficient heat dissipation for optimal performance and longevity.

Product Overview

Energy-Efficient Illumination

This energy-efficient LED bulb is designed to provide reliable, bright, and long-lasting illumination for a variety of settings. Featuring a distinctive decorative gold-colored heat sink and a clear, multi-faceted lens, it combines aesthetic appeal with functional design. The robust construction ensures efficient heat dissipation, which promotes optimal performance and extends the lifespan of the bulb.

Technical Specifications

Base Type	Standard screw base
Suitable Applications	Residential, Commercial, General Illumination

Design & Build

Heat Sink Finish	Gold
Lens Style	Clear, multi-faceted

Performance Features

Key Advantages

- Energy-efficient operation
- Enhanced heat dissipation
- Long-lasting performance
- Easy installation
