

Engine Cylinder Liner Kit 3904166 3900396

This engine cylinder liner kit is compatible with Cummins 4BT and 6BT diesel engines. It is suitable for use in wheel loaders and bulldozers.

Product Overview

Premium Engine Cylinder Liner Kit

This high-quality cylinder liner kit is specifically engineered for 4BT and 6BT diesel engines, providing a precision-fit solution for engine overhauls. Designed to meet or exceed OEM specifications, the kit ensures optimal sealing and reduced wear under high-temperature and high-pressure conditions. It is an essential component for maintaining the performance and longevity of heavy-duty construction and marine machinery.

Technical Specifications

Precision-engineered cylinder liner for 4BT and 6BT diesel engines.

High-quality materials ensure superior performance and durability.

Part Numbers

- 3904166
- 3900396

Kit Components

- Cylinder Liners
- Piston Rings
- Seals

Engine Models

4BT, 6BT

Application & Usage

APPLICATION

SUNON

Versatile application across various heavy-duty industrial and construction machinery.

Compatible Machinery

Wheel Loader • Bulldozer • Excavator • Crane • Marine Engines • Road Roller • Forklift • Tractor

Manufacturing & Origin

Place of Origin

Shiyan City, Hubei

Logistics & Trade

PACKAGING

SUNON

Secure packaging options including wooden crates and palletized shipments for safe transit.

Export Ports

- Shanghai
- Ningbo
- Shenzhen
- Guangzhou
- Qingdao
- Tianjin

Packaging

Original packing or neutral packing

Trade Terms

EXW, FOB, CNF, CIF

Accepted Payment

T/T, L/C at Sight, Western Union, Money Gram, Paypal, VISA
