

Engraved Silver Fruit Plate

This meticulously crafted silver fruit plate features intricate engraved designs. It is likely intended for decorative or serving purposes, showcasing a blend of functional design and artistic embellishment.

Product Overview

Artisan Crafted Silver Fruit Plate

This meticulously crafted silver fruit plate combines functional serving utility with exquisite artistic detail. Featuring a complex radial starburst center and elaborate floral engravings along the rim, it serves as a sophisticated centerpiece for any setting. Its polished finish and raised design make it an ideal choice for high-end dining or decorative displays.
