Product Overview

Precision Cutter Base (L)

This precision-engineered cutter base is designed as a critical spare part for automated feeder systems. The 'L' version ensures accurate and reliable component cutting, contributing to seamless integration and optimal functionality within your assembly line. Constructed from high-quality materials, it is built to maintain the efficiency and longevity of your equipment.

Technical Details

Part Number	988A82M
Component Type	Cutter Base (L)

Logistics & Service

Typical Lead Time	1-2 days
Available Shipping	EMS, UPS, DHL, TNT, Hong Kong Post
Payment Terms	100% T/T before shipment
