Product Overview

High-Performance Outdoor Fiber Optic Cable

This outdoor fiber optic cable is engineered for reliable, high-speed data transmission in various networking environments. It is available in a versatile range of fiber counts and span configurations to accommodate different infrastructure requirements. Each cable is securely packaged on a durable wooden reel, ensuring protection and ease of deployment for professional installation projects.

Technical Specifications

Available Fiber Counts

- 6
- 12
- 24
- 48
- 72

Supported Span Configurations

- Span 100
- Span 120
- Span 240

Logistics & Packaging

Reel Length Options

- 2000m
- 4000m

Packaging Type

Wood Reel
