

# Fiberglass Handle Round Head Hammer

This round head hammer is designed for striking and shaping applications. It features a hardened steel head and a fiberglass handle for optimal impact resistance and comfortable use.

## Product Overview

### Professional Round Head Hammer

This round head hammer is engineered for precision and durability, featuring a high-quality hardened steel head designed for optimal impact resistance. The ergonomic fiber handle is built to provide a secure, comfortable grip while effectively reducing user fatigue during extended work sessions. It is an essential tool for metalworking, automotive repairs, and general construction applications.

## Technical Specifications

Head Material	Hardened Steel
Handle Material	Fiberglass
Handle Colors	Red, Yellow
Model Identifier	JL0104

## Applications

### Primary Uses

- Metalworking
- Automotive Repairs
- General Construction
