

## Five-Blade Ceiling Fan with Integrated Light

This ceiling fan features five blades and an integrated light fixture with a frosted glass shade. It is designed for residential use, providing both illumination and air circulation.

### Overview

#### Five-Blade Ceiling Fan with Integrated Light

This ceiling fan features a classic design with five dark wood blades and a polished metal finish, making it a versatile addition to any room. It includes an integrated light fixture with a frosted glass shade, providing both effective air circulation and ambient illumination. The unit is operated via convenient pull chains for easy adjustment of fan speed and lighting.
