

Five-Burner Stainless Steel Gas Cooktop

This gas cooktop features five burners, including a high-power burner, rapid burners, a semi-rapid burner, and an auxiliary burner. The cooktop has a stainless steel surface with cast iron pan supports and front-mounted control knobs.

Product Overview

Professional Performance and Safety

This 905D five-burner gas cooktop is engineered for versatile cooking, featuring a high-output hyper burner for rapid heating alongside dedicated rapid, semi-rapid, and auxiliary burners. Built with a durable tempered glass worktop and enamelled pan stands, it combines modern aesthetics with robust construction. Designed for safety and ease of use, the unit includes underknob auto-ignition and an integrated flame failure safety device on every burner.
