

Fixed Flat Panel TV Wall Mount 32-55 inch

This ultra-slim TV wall mount keeps flat screen TVs just 26mm from the wall. Its lateral shift feature allows horizontal TV adjustment for ideal positioning.

Product Overview

Professional Flat Panel Mounting Solution

This universal fixed wall mount offers a streamlined, low-profile solution for 32 to 55-inch flat panel displays. Engineered for strength and ease of use, it supports up to 30kg while maintaining an ultra-slim 26mm distance from the wall. Its versatile design accommodates LED, LCD, and Plasma screens with VESA standards up to 400x400mm.
