

Fixed TV Wall Mount for 14-37 inch Screens

This ultra-slim TV wall mount keeps the screen just 25mm from the wall. The lateral shift feature allows users to slide the TV for the best viewing angle.

Overview

Professional Flat Panel Wall Mount

This universal fixed wall mount offers a space-saving solution for 14 to 37-inch screens, supporting weights up to 40kg. Engineered from durable steel, its ultra-slim 25mm profile ensures a sleek, low-profile look suitable for home and commercial environments. The design includes a lateral shift feature for perfect positioning and integrated safety locks for secure installation.
