

Floral Design Compact Container

This compact container features an elegant floral design. It is ideal for storing and carrying small beauty items.

Product Overview

Versatile Hydration Solution

This compact floral-designed container offers an elegant solution for on-the-go hydration. Featuring a simple slide-open mechanism, the device automatically dispenses ultra-small particles of fluid for efficient hair and body care. Its portable, aesthetic design makes it a perfect accessory for maintaining skin moisture throughout the day.

Functional Features

Auto-Stop Timer	30 seconds
Suitable Applications	Body Care, Hair Care, Skin Hydration
