

Fluted Disposable Serving Bowl

This disposable serving bowl is made of lightweight plastic and features a fluted design. Its decorative, rope-like rim enhances its aesthetic appeal, making it ideal for serving salads, snacks, or desserts at various events.

Product Overview

Elegant Disposable Serving Solution

This fluted disposable serving bowl combines convenience with an elegant aesthetic, making it an ideal choice for professional catering, events, and casual gatherings. Featuring a distinctive fluted design on both inner and outer surfaces and a decorative rope-like rim, it elevates the presentation of salads, snacks, or desserts. Its lightweight plastic construction ensures easy handling while maintaining the functionality required for high-volume serving needs.
