Product Overview

Professional Foldable Aluminum Scaffolding

This foldable aluminum scaffolding is engineered for efficiency and safety in elevated work environments. Featuring an intuitive folding mechanism, it allows for rapid setup and compact storage, making it an ideal choice for maintenance, painting, and repair tasks. The inclusion of integrated steps and a tool tray enhances user convenience and productivity on the job site.

Physical Dimensions

Open Size	1140 x 930 x 1550 mm
Working Height	290 cm

Key Features

Usability Features

- Full foldable design for simple operation
- Integrated steps for easy climbing access
- Telescopic horizontal bar for wall-proximity work
- Includes plastic tool tray for convenience

Mobility

2 pcs
PP Wheels
