Overview

Compact Wrinkle Care Solution

This portable garment steamer features a convenient folding handle, making it an ideal choice for travel or limited storage spaces. Engineered for efficiency, it delivers a consistent steam temperature of 140°C to effectively smooth fabrics and eliminate mites. With a specialized panel temperature control ranging from 60-120°C, it prevents condensation, ensuring your clothes remain dry and ready to wear immediately after ironing.

Technical Specifications

Mist Spraying Rate

18 g/min

Steam Output

Power Rating	1200 W
Voltage / Frequency	220V / 50Hz
Water Tank Capacity	100 ml

Performance & Safety
