Product Overview

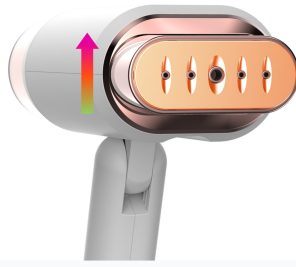

Ergonomic and lightweight design perfect for travel and home use.

Compact Travel Garment Steamer

This foldable handheld garment steamer is designed for efficiency and portability, making it an ideal solution for both home use and travel. With a rapid 35-second heat-up time and a powerful 1200W output, it delivers a steady steam flow to effectively remove wrinkles from various fabrics. The unit features an ergonomic, foldable frame for easy storage and includes safety mechanisms such as automatic shut-off to prevent overheating or operation with low water levels.

Performance Metrics

Heated steam plate designed for even steam distribution.

Power & Heating

1200 W

Power Output

35 s

Pre-heating Time

20 g/min

Steam Rate

120 °C

Operating Temperature
