

Foldable Metal Hand Trolley

This compact hand trolley is designed for easy transport and storage. It features a sturdy metal frame, telescoping handle, and durable wheels for moving items.

Product Overview

Industrial-Grade Mobility

This foldable metal hand trolley is engineered for efficient material handling in warehouse and industrial environments. Its robust construction ensures durability when moving boxes, luggage, or heavy equipment. The collapsible design allows for compact storage, making it an ideal solution for facilities where space is at a premium.
