

# Foldable Reflective Warning Triangle

Foldable reflective warning triangles enhance roadside safety. The triangle features a bright red reflective surface with foldable metal legs, designed to alert drivers to hazards.

## Product Overview

### Roadside Safety Solution

This foldable reflective warning triangle is an essential safety device designed to alert oncoming traffic to disabled vehicles or road hazards. Engineered for high visibility and stability, the triangle features a bright reflective surface supported by robust metal legs. Its foldable design allows for convenient storage in vehicle trunks, ensuring readiness for emergencies.

## Technical Specifications
