

Foldable Reflective Warning Triangle

This is a foldable reflective warning triangle for roadside safety. It features a sturdy base and high visibility reflectors for use in low light conditions.

Product Overview

Roadside Emergency Safety

This foldable reflective warning triangle is an essential safety tool designed to ensure visibility during roadside emergencies. The unit features high-performance reflective surfaces for clear identification in low-light conditions and is engineered with a stable, sturdy base. Its compact, foldable design allows for efficient storage in vehicle trunks, making it a reliable solution for professional safety equipment.
