

# Foldable Travel Hair Dryer with Dual Voltage

This travel hair dryer features a foldable handle for compact storage and is equipped with overheating protection for safety. It offers dual voltage compatibility, two-speed settings, and two heat settings.

## Product Overview

### Compact Performance for Travel

This versatile travel hair dryer is designed for international convenience, featuring dual voltage compatibility to ensure reliable performance worldwide. Its compact, foldable handle design makes it an ideal choice for luggage, while the long-life DC motor provides consistent drying power. Equipped with essential safety features like overheating protection and a practical hang-up loop, it combines professional functionality with portable convenience.
