

Foldable Travel Hair Dryer with Dual Voltage

This travel-friendly hair dryer features a foldable handle and dual voltage compatibility. It offers multiple power options and includes overheating protection, two-speed settings, and an air concentrator.

Product Overview

Travel-Ready Performance

This compact, foldable hair dryer is engineered for global travelers, featuring dual voltage compatibility for reliable performance worldwide. It combines a long-life DC motor with two speed and two heat settings to deliver personalized styling. Designed with safety and convenience in mind, it includes overheating protection, a non-slip handle, and an integrated hang-up loop for easy storage.
