

Folding Aluminum Hand Truck 90kg Capacity

This folding hand truck features a lightweight yet durable aluminum construction. It is designed with a telescopic handle and folding capability for easy storage and portability, making it suitable for various applications.

Overview

Compact Material Handling Solution

This Folding Aluminum Hand Truck offers a versatile and compact solution for material handling, designed for both portability and ease of storage. Constructed from lightweight, rust-resistant aluminum alloy, it features a telescopic handle and a foldable design that collapses into a minimal footprint. Ideal for home, office, and light industrial use, this unit provides a reliable way to move goods up to 90kg.

Technical Specifications

Maximum Load Capacity

90 kg
Capacity
