

Folding Pruning Saw with Curved Blade

This folding pruning saw features a curved blade designed for efficient cutting. The blade is made of high-carbon steel for durability and sharpness.

Product Overview

Professional Folding Pruning Saw

This folding pruning saw is engineered for high performance in gardening and landscaping tasks. Featuring a durable high-carbon steel curved blade, it ensures efficient and precise cutting of branches and limbs. The ergonomic handle design prioritizes user comfort and a secure grip, while the folding mechanism provides both safe storage and excellent portability.

Technical Specifications

Blade Material	High-carbon steel
Blade Profile	Curved
Design Type	Folding

Application

Ideal Applications	Gardening, Landscaping, General Pruning
--------------------	---

Key Features

Core Benefits

- Ergonomic handle for comfortable grip
- High-carbon steel for sharpness and durability
- Folding design for safe, compact storage
- Curved blade geometry for efficient cutting
