

Folding Rectangular Table with Metal Legs

This folding rectangular table features a durable white tabletop and sturdy black metal legs. Designed for easy storage and transport, the table folds flat when not in use.

Product Overview

Versatile Folding Table

This folding rectangular table is designed for maximum utility in both indoor and outdoor settings. Featuring a durable white surface and robust black metal legs, it offers a stable workspace for events, gatherings, or temporary office needs. Its folding design allows for space-efficient storage and convenient transportation when not in use.

Construction & Design

Key Design Elements
