

Folding Step-Through Bicycle with Luggage Rack

This folding bicycle has a step-through frame for easy access. It is equipped with a sprung saddle and rear rack.

Product Overview

Versatile Urban Mobility

This folding step-through bicycle is designed for convenient urban commuting and storage. Featuring a low-frame geometry for easy mounting, it ensures accessibility for all riders. The inclusion of a rear luggage rack and protective mudguards makes it a practical choice for daily cargo transport and all-weather riding.
