

Four-Burner Built-In Gas Hob

This gas hob features four burners to accommodate various cooking needs. It includes a triple flame work burner, rapid burner, semi-rapid burner, and auxiliary burner.

Product Overview

Professional Four-Burner Gas Hob

This built-in four-burner gas hob is designed for modern kitchen environments, combining sleek aesthetics with robust performance. Featuring a durable tempered glass worktop and precise front-control operation, it offers a versatile cooking experience with four distinct burner power levels. Safety is prioritized with an integrated flame failure device on every burner and convenient under-knob auto-ignition.

Performance

Burner Heat Output

3.3 kW Triple Flame Burner	3 kW Rapid Burner	1.75 kW Semi-Rapid Burner	1 kW Auxiliary Burner
