

Four-Burner Stainless Steel Gas Hob

This gas hob features four burners of varying sizes to accommodate different cooking needs. It has black enamel pan supports and front-mounted control knobs, all set in a stainless steel finish.

Product Overview

Professional Four-Burner Performance

This four-burner built-in gas hob features a durable 0.7mm stainless steel panel designed for modern kitchen environments. It offers versatile cooking options with a range of burner sizes, including a powerful triple-ring wok burner for high-heat tasks. Engineered for flexibility, it supports both LPG and NG gas types with reliable ignition systems.
